

Enjoy working with children?

Consider a career in Montessori Education

Montessori Education is a unique method based on the recognition of and preparation for the developmental needs of each child.

This method of education has spread around the world and been very successful with children of many varied cultural backgrounds and abilities. Today, Montessori schools are found in almost every major city of the world, and in North America especially, both privately and publicly funded Montessori Schools are found in abundance.

Teacher Education Director

Janice Mayhew has trained hundreds of Montessori teachers at both the Early Childhood and Elementary levels, in Tucson, AZ,

Windsor, Ontario, St. Maarten, N.A., Tanzania, Africa, and London, England. Ms. Mayhew has an Early Childhood Education Diploma with Montessori option, an Honours B.A., a Masters Degree in Education and an Advanced (6-12 years) Montessori Diploma.

Worldwide Job Opportunities

Montessori teachers are needed worldwide, and students are notified of many job opportunities.

Khalsa Montessori School

Khalsa Montessori School has been serving the Tucson area since 1975. It has grown to encompass classes for infants through Grade 8, and has an enrolment of 350. The River Road campus is situated on 5.4 acres, with desert habitat, fields and gardens. Well equipped classrooms provide a great educational setting for children, and adults who wish to become Montessori teachers.
